

JANUARY

4 No webcasts

11 Setting up Drawing Templates
Set up & Customise Toolbox

18 Get Started - SimulationXpress
Go Further - Simulation

25 Get Started - DriveWorksXpress
Go Further - DriveWorks Solo

FEBRUARY

1 Multi-Body Part Modeling
Improving Large Assembly Design

8 Get Started - FlowXpress
Go Further - Flow Simulation

15 Data Management "The Basics"
Managing Data in the Design Office

22 Essential Guide to eDrawings
Technical Manuals - Online

29 What's New "The Hidden Bits"
A Report from SW World

MARCH

7 Get Started - SolidCAMXpress
Go Further - SolidCAM

14 Simulation Connectors...Explained
Simulation Contacts...Explained

21 Reuse Data - Design Library
Efficient Design - Smart Components

28 Mechanical Routing Tips & Tricks
Electrical Routing Tips & Tricks

WebCast 2012

wednesday

APRIL

4 Animations for Beginners
Animations for Advanced Users

11 DraftSight - FREE DWG Software
Manage ANY file with EnterprisePDM

18 Simulate Moving Mechanisms
Do you do Physical Testing?

25 Mechanical Design in SW Part 1
Mechanical Design in SW Part 2

MAY

2 Repairing Imported Geometry
Mold Tool Design

9 Automated Inspection Reports
Importing CAD Files

16 Hand Calcs V's Simulation
SW Pro. Add-Ins What do they all do?

23 Simulation Tips & Tricks
Simulating Rubbers & Plastics

30 Intro to 3DVia Composer
PhotoView 360 Tips & Examples

JUNE

6 What's New SW2009 - 2012 Part 1
What's New SW2009 - 2012 Part 2

13 Environmental Impact of your Design
Revision Control in Windows Explorer

20 Consumer Product Design in SW Part 1
Consumer Product Design in SW Part 2

27 Fatigue, Buckling & Frequency
Thermal, Drop & pressure Vessel
